JOINT MOTION FOR MODIFICATIONS
TO SCHEDULING ORDER

Plaintiff and defendant, by their respective counsel, hereby jointly move the Court for modifications to the scheduling order in this action and respectfully propose revised dates in accordance with the attached proposed order. In support hereof, the parties state as follows:

1. This is a civil action for damages brought pursuant to 42 U.S.C. §1983.
2. The parties have conducted discovery, including the exchange of interrogatories and documents and the taking of depositions.
3. Several depositions remain to be taken, however.
4. Due to problems associated with coordination of counsel's and witnesses' schedules and plaintiff's counsel's absence from his office because of illness, the parties have not been able to complete discovery by the deadline established in the Court's scheduling order.
5. Counsel for the parties believe that an enlargement of discovery to April 30, 2002, will enable the completion of discovery without an unreasonable delay in the trial schedule.
6. Attached hereto is a proposed order which counsel submit for the Court's

consideration in order to modify the schedule in this case.

7. This is the first request by the parties to modify any pretrial deadlines.

Wherefore, the parties' joint motion for modifications to the scheduling order should be granted.

Respectfully submitted,
